ALONG THE COAST

BEACHSIDE BLISS

Stroll along the breathtakingly beautiful beaches, float in the calming rock pools, swing a club at the nearby golf course, or paddle board and kayak in the pristine waters. With plenty of marine life around the rocky headlands, you're well catered for if you love to cast a line, snorkel or dive.

The Surf Life Saving Club at the southern end of the beach also hosts ocean swims for those with a competitive spirit, and surfers can choose a different beach daily with some of the best waves on the coast.

WHALE WATCHING

From May to November, over 30,000 whales embark on their migration along the NSW coast, famously dubbed the Humpback Highway.

Join Jervis Bay Wild for an immersive water tour, witnessing these magnificent creatures at one of their favored resting spots. Encounter dolphins, seals, and penguins along the way. If staying on solid ground is more your style, visit scenic lookout points like Warden's Head Lighthouse in Ulladulla.
